

Ushers Needed for the Summer!

Everyone loves the summertime. Summer is vacation time. The weather is warm and incites us to go outside and do something “out of the ordinary”. Our parish needs people to fill in for ushers when they want to do something “out of the ordinary”. We all need recharging ever so often. Try something new: give a little extra time at Church so that someone else can go on vacation. What does an usher do? Ushers are the ministers of hospitality. This ministry is open to parishioners, 18 and up, willing to come 20 to 25 minutes early before Mass to welcome friends and strangers as they enter the church. Ushers help people find seats, assist those with special needs and help respond to emergencies. You can sign up to receive an email or phone call when someone needs a sub. If you have more time to share, why not serve once a month!

If you are interested in serving the St. Joseph Community as an usher, please fill out this form. You may give it to an usher, sent it to the rectory or email your information to music@bcacs.org.

Thank you for your help!
