

PACE SENIOR CARE

Program of **All-inclusive Care for Elderly**
200 Michigan Ave. West 269-441-9300

Our goal is to help older adults safely remain in their home as medically possible.

PACE is located in the Kool Family Center (formerly Burnham Brook). It is unique comprehensive care program that offers transportation, medical services, day care activities, some meals, and in-home support as needed by older adults who are getting frail or in need of coordinated assistance. Medicare/Medicaid funding supports this service model as an effective alternative to nursing home care. The Center is staffed with a multidisciplinary team who deliver care for each client base on personalized weekly plans.

BINGO is the highlight of the week! Now is a good time to check that drawer where unknown treasures are waiting to be shared😊!

The last SUNDAY in July is the WORLD DAY of PRAAYER for GRANDPARENTS and SENIOR CITIZENS.

HOORAY!

Connecting with Mercy

Collecting bingo prizes for clients of
PACE
at weekend Masses
July 15-16
